

Swansea City AFC Disabled Supporters Association April 2016 Newsletter

Hello, fellow Swan, and welcome to our next Newsletter. We have been very busy in the last few weeks, so we haven't been in touch as much as we would have liked, but we're back now !

Of course, you are welcome to contact us at anytime, and we welcome that. We have had to change our contact e-mail address again, and our web-site that we mentioned in the last Newsletter, is no longer accessible.

We are taking steps to re-create a new Website. In fact, the Swans Trust have been very helpful in this. We hope to announce a new Website soon, so watch this space. Our new e-mail address for the time being is **secswandsa@gmail.com**.

We are delighted to announce that LEE TRUNDLE has agreed to be an Ambassador to the Disabled Supporters Association, to match his role for the Football Club. As you can imagine, Lee is very busy, but he has been a great support to us as a DSA, and Lee and the Committee are working hard on putting on some future social events.

You may remember seeing adverts for a "Mulled Wine Evening" in Swansea Market, just before Christmas. The evening was a great opportunity for a catch up, whilst enjoying a "little tipple" amongst the Christmas festivities.

We were well supported again, and you may notice Lee Trundle, Huw Cooze (Supporters Director) and Kev Johns amongst the Committee and some members.

The next SCFC DSA Social Event will be held on :-

TUESDAY 03 MAY 2016

At the Liberty Stadium

Starting at 18.00.

The evening will take the now familiar format, of a 3 part evening.

The meeting will start with a SCFC celebrity / player discussing their career to date.

Those of you who attended the evening with ALAN CURTIS will remember how interesting, amusing and insightful he was. Little did we know that soon after this, he was going to be put in charge of the 1st team !

And of course, GERHARD TREMMEL who gave an insight into being a League Cup winner, and again told some stories from “behind the scenes” of being a footballer.

The 2nd part will be a Question and Answer session, with all the questions coming from the people attending.

We are very excited about the people on our panel for this evening. We are going to keep it secret for now, just to tease you ! We may drop some hints nearer the time, but make sure you are there !

The 3rd and final part will be the opportunity for any photographs / autographs etc.

The event will be FREE OF CHARGE to DSA members and one guest each.

We would kindly ask that non members pay £5 per adult and £2 for Under 16's.

You are welcome to bring as many people as you wish though.

If you are interested in attending this event, on Tuesday 03 May, please e-mail secswandsa@gmail.com, with how many people will be coming, including how many wheelchair spaces are needed.

The South West Disabled Fans' Experience Forum, is a body that was set up in 2011, for all Clubs in the South West to get together

Nick Saunders (Exeter City DSA) got together with David Munn (Yeovil Town DSA), to create this successful Forum. It includes (in alphabetical order !) Bristol City, Bristol Rovers, Cardiff City, Cheltenham Town, Exeter City, Newport County, Plymouth Argyle, Swindon Town, Torquay United, Yeovil Town and of course, Swansea City !

Cath Dyer was invited to be on the Taro'r Post programme, where she spoke in Welsh about the DSA. All good publicity, so well done Cath.
